SKILLS

- React Native
- React JS
- Redux Toolkit
- NodeJS
- Express JS
- MongoDB
- Mongoose
- RESTAPI Integration
- Tailwind CSS
- Postman

WORK EXPERIENCE

IDLOGIX (Pvt) Ltd — Lahore, Pakistan

React Native Developer

July 2024 - Jun 2025

- Developed and maintained **cross-platform mobile apps** using **React Native**, targeting both Android
- Managed complex state across screens using **Redux Toolkit** and **MobX**, improving app stability and maintainability
- Integrated **RESTful APIs** and ensured smooth UI rendering and performance optimization
- Collaborated closely with designers to implement **pixel-perfect UIs** using **Tailwind CSS**
- Assisted with **Play Store deployment**, versioning, and bug fixing during release cycles

PROJECTS

Tasteland – Field Sales Automation App

Sep 2024 - Dec 2024

- Developed seamless app logic to optimize seller workflows, enabling **300+ additional weekly orders**
- Deployed to **150+ field sellers** for visiting local shops and villages, boosting regional sales performance
- Delivered **robust offline functionality** for reliable order-taking in low-connectivity areas

Keune Pakistan – Haircare Brand App

Jan 2025 - Mar 2025

- **Lead frontend development** to deliver a seamless digital experience for Keune's product users
- **Implemented key UI features** aligned with business goals, ensuring a smooth and intuitive interface
- **Integrated backend services** efficiently while maintaining **high app performance and UI responsiveness**

Infinity Emlak & Infinity Uactros – Real Estate Apps

Aug 2024 - Sep 2024

- Designed and developed complete app UIs for both platforms using **React Native**, focusing on clean, responsive, and user-friendly interfaces
- Ensured consistent design across screens, aligned with the client's brand and layout requirements

EDUCATION

National College of Business Administration & Economics (NCBA&E)

Bachelor of Science in Computer Science

Oct 2023 - Current
